

EvolutionIQ Named in Oxbow Partners Impact 25 Transforming the Insurance Industry

written by Jason Kapler | April 7, 2021

Oxbow Partners, the preeminent management consulting organization in Europe recently released their annual Impact 25 list, highlighting the companies driving digital transformation within the insurance industry.

[EvolutionIQ](#) is honored to be included on the list as a NextGen Claims Technology transforming the insurance industry. Glad to join the list that includes companies like [Carpe Data](#), [Tractable](#), [Bdeo](#), [FRISS](#), [CAPE Analytics](#), [ComplyAdvantage](#) and more among its alumni! As the InsurTech market matures, winning themes are emerging. Read more below to see the three themes where InsurTech partnerships are modernizing legacy insurance companies!
